

## **Camp Camp 2018: Root to Rise Participant Application Form**

Hello and Welcome!

Thanks for your interest in **Camp Camp 2018: Root to Rise**, August 19-23, 2018. We'd like to get to know you a bit better and have some questions to help you reflect on a couple of things. Please read our Information Pack and Data Protection Policy and set aside 40 minutes to complete this application. If applications are tricky for you, please ask someone to help you or [contact us](#). We are also happy to receive video applications if that is easier for you.

If you have attended Camp Camp before, you will be invited to join our team of people delivering workshops to other participants if you are selected to attend again. Our community is sustained by a programme of developing leadership, so we are delighted to provide a safe space for you to test out sharing a skill or talent with other young people. We aim to prioritise new applicants in order to support as many people as possible to attend Camp Camp.

The application process includes:

- Filling out this application. Our selections committee will work hard to identify a diverse group from around Cambridgeshire to attend the residential.
- If you are under 18, be advised that we will require parent/guardian signatures of consent when you apply.
- If your application is successful, we'll send you an email with a registration form and waivers by May 15th.
- At that time, a £20 confirmation fee will also be required to hold your place at camp. This £20 is the only fee required to attend Camp Camp. If this presents a barrier for you, please get in touch with us.

**NOTE:** If you don't check your email regularly and will be relying on help from your parent/guardian or service provider to get to camp and fill out your emergency and medical info, consider using their email as your primary contact so that we can communicate with you most effectively.
