Access the tools and training needed to create a safe and inclusive professional environment for both your colleagues and clients, patients or service users.

Our trainers bring a wealth of training experience and a variety of LGBTQ+ lived experiences to each training course.

Proceeds from our training courses support the delivery of our LGBTQ+ Youth Groups and support services across Cambridgeshire and Peterborough.

"I would highly recommend this training for any organisation. I believe we will truly become a more inclusive environment for all as a result of this."
